

BESPOKE HOT PLATES

Here at Vecstar we regularly design and build bespoke hot plates. These can range from large free standing industrial hotplates to small irregular shaped bench top hot plates. Hot plate tops are available in either Mild Steel, Stainless Steel or Aluminium to suit your needs.

ABOUT VECSTAR

We build furnaces, ovens and hot plates for industry, laboratories and educational institutions. During the 30+ years Vecstar have been established, a comprehensive range of advanced electric heating equipment has been developed.
